ARTICLE VI: CONCERTED ACTIVITIES

6.1 The Association recognizes the duty and obligation of its representatives to comply with the provisions of this Agreement and to make every effort to encourage all members of the bargaining unit to do so. It is agreed and understood that there will be no strike, work stoppage, slow down, picketing or refusal or failure to fully and faithfully perform job functions and responsibilities, or other interference with the operations of the District by the Claremont Faculty Association or by its officers, agents or members during the term of this Agreement, including compliance with the request of other labor organizations to engage in such activity. In the event of a strike, work stoppage, slow down, or other interference with the operations of the District by members of the bargaining unit, the Association agrees in good faith to take steps to cause those members to cease such action.

6.2 It is agreed and understood that any member of the bargaining unit violating this Article VI may be subject to dismissal proceedings.

6.3 This Article VI shall remain in full force and effect until such time as the parties are lawfully negotiating matters pursuant to Article XXV and the impasse procedures as provided under Chapter 10.7 of the Government Code have been fully exhausted.
