Dr. Jeff Wilson, Superintendent  
Claremont Unified School District  
170 West San Jose Ave.  
Claremont, CA 91711

Dear Dr. Wilson:

Proposal to Establish Trustee Areas and Trustee Area Voting Within the Claremont Unified School District (USD)

On March 30, 2022, the Los Angeles County Committee on School District Organization (County Committee) approved the proposal to establish trustee areas and trustee area voting within the Claremont USD.

In order to implement the changes approved in the new trustee area map, the GIS shape files have been sent to the Los Angeles Registrar-Recorder/County Clerk (Registrar-Recorder), the agency responsible for assigning voters in the Claremont USD to their new trustee areas.

If any additional steps need to be taken, you will be notified by LACOE staff. The trustee area plan will be implemented before the district’s next governing board election in November of 2022.

The County Committee wanted me to convey its appreciation for the completeness and clarity of your district’s presentation, and to thank you for your efforts, and those of the district’s staff, board, and its professional advisors, in making the process go smoothly.

If you have any questions, please call me at (562) 922-6110, or you may speak with Dr. Allison Deegan at (562) 922-6336.

Sincerely,

Octavio Castelo, Director
